

SCIENCE OLYMPIAD

TRYOUT INFORMATION

Team website: <http://khbscience.weebly.com/science-olympiad-18-19.html>

Signup for Event Tryouts begins Friday, Oct 26th and ends Wednesday, Oct 31st
Study Event Testing will be Monday, November 19th through November 30th

You may try out for up to 2 study events in each time slot (A, B, C, D) but are not required to sign up in each of the time slots. This is a proposed schedule of what you would LIKE to do.

Some building events (in bold) compete during 2 time slots, so only select one time slot (A or B, C or D)

Maximum number of team members trying out per event will be initially limited to 5. It will be based on a first come, first serve basis. The fewer students you compete against, the more likely you will be to make the team for that event. Selection will be based upon your performance compared to others who tried out for the same event. We are looking for team members that are the best in at least 2 events.

Make your schedule (*highlight choices*). Then when you are ready to select your choices, make your selections online!

You can do that here: <https://www.signupgenius.com/go/70A084CAEAF22A4FE3-scioly>

TIME SLOT A	TIME SLOT B	TIME SLOT C	TIME SLOT D
Anatomy and Physiology			Amazing Mechatronics
Battery Buggy	Battery Buggy	Boomilever	Boomilever
Density Lab	Duct Tape Challenge	Crimebusters	Circuit Lab
Disease Detectives	Dynamic Planet	Elastic Launched Glider	Elastic Launched Glider
Road Scholar	Heredity	Herpetology	
	Potions and Poisons	Meteorology	Fossils
Roller Coaster	Roller Coaster	Ping Pong Parachute	Ping Pong Parachute
	Thermodynamics	Water Quality	Solar System
		Write it Do it
